

Busy Things

In preparation for a year group needing to self-isolate for 14 days we have reinstated our home access to Busy Things. We will be using this as part of our remote learning curriculum.

The pupil logins have slightly changed and new features have been added to allow us to track pupils completed work and send feedback. Children will also be able to access resources for themselves by clicking on the correct age band - EYFS or Key Stage 1. To login in and find any assignments that have been set please follow the instructions below. The Busy Things link can be found on the 'pupil' page of our school website.

We encourage you to log in to Busy Things and explore the program, making sure your child's individual login works but please do not complete any assignments until further instructions. Please see your child's class teacher if you have any issues or questions.

1. Login using the details below:

Username : wgpschild

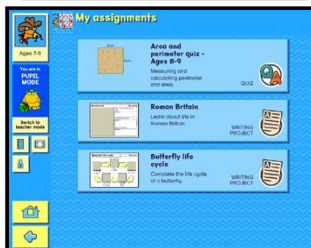

Password: red

2. Click on My Busy Things and select the correct class.

3. Click on your name and select the 3 picture password that is provided on your login card, which is attached to this letter. Click OK.

4. To find the assignment children should click on **My assignments**.

5. Within **My assignments** click on the assignment to begin.

Children will need to complete the assignment in a single session. Once they have completed the assignment click on the floppy disk to save. This will automatically be sent to the teacher.

6. Feedback from the teachers can be found in **My messages**.
