

How to access assignments in Busy Things

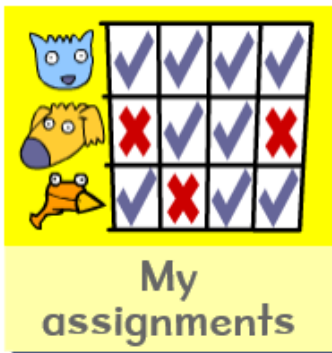

Children should log into Busy Things using the home access login in order to complete an assignment. This can be found on the 'pupil' page of our school website. Click on the correct age group -

EYFS

Foundation One and Foundation Two
Nursery Foundation One
Reception - Foundation Two

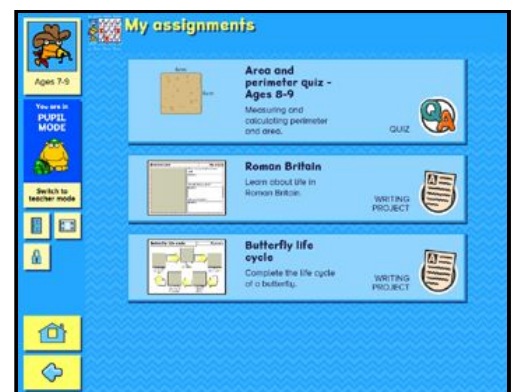

Key Stage 1

Year 1 and Year 2

To find the assignment, children should go to the **My assignments** area within the correct age band.

Within My assignments, they should click on the assignment to begin. They must enter their name and then click OK. Children will need to complete the assignment in a single session.

Depending on the type of activity the children are completing, they can either submit their activity via a Submit or Save button. Quizzes are submitted automatically once completed.

Once submitted, the activity is sent back to the Assignments area on the welcome screen. From here, teachers will be able to view results.
