Using Tiled Layout Option

This feature in Google Meet enables you to view up to 49 participants in a tiled view and replaces the need for the old grid view extension.

1. Join a Google Meet

2. Navigate to the bottom right corner and click on the three dots to open **OPTIONS**

3. Click **CHANGE LAYOUT**

4. Select **TILED**

The slider at the bottom enables you to tile (view) up to 49 participants
